FAQ's

What is the next step?

Send us an email at events@eatmhg.com with your event details and we will get back to you to help you plan your event!

What is your Large Party “Minimum Spend” Policy?

Given the fluid nature of the restaurant business we try to keep accurate and flexible minimums. Our minimums will reflect anticipated business on the day or night of your event and the space that you are choosing to utilize. Therefore, if you're looking for main dining area on a Saturday during peak hours your minimum would be very high. On the other hand if your party is able to book off peak hours or dates we can be far more flexible with our minimum spend requirements. We always try our best to work with each and every guest and party that walks in the door. We will work to find a solution to any budget and any timeslot we have available to guarantee the best experiences for all. The agreement contains a credit card authorization form to hold the space, but no charges will be made upfront unless a deposit is required.

Do you have “room fees?”

We do not usually have any room fees, rather we have a minimum spend policy. With this arrangement you're only paying for items you receive as long as you reach the minimum quoted for your party. The only time a room fee would be applied is in the event your party fell short of the minimum spend and chose not to order anything more.

Do you offer gluten free (or other allergen) options on your set menus?

Yes! We offer a gluten sensitive menu. We understand that sensitivity to gluten can vary and feel it's important to note CIRCA is not a gluten free environment. Please let us know any dietary restrictions prior to menu selection and we will do our best to accommodate.

Do you offer Open Bar packages?

We do not structure open bars in an all you can drink format (Per person/hour), rather we charge based on consumption and will give alerts to the host upon request if they are nearing their budget. To the guests it appears as open bar but for accounting for the host and restaurant it works better.

FAQ's

Do you have audio and video capabilities in the Private Room?

Yes, the private dining room has its own television with HDMI ports on the televisions.

Can we decorate the space?

Depending on the nature of the event guests often inquire about decorations. We are open to outside decorations within reason and just ask that it not interfere with other guests that may be dining in our establishment. We typically try to avoid flashing lights, noise makers or massive balloon arrangements. But, never hesitate to ask and as always we will try to make it work!

Does the minimum spend include tax and gratuity?

All quoted minimums do NOT include tax and gratuity.

Can we bring our own cake/desserts?

Of course you can! We are more than happy to store it in our fridge while you dine and cut it for you once it's ready. We do have a cake fee of \$25 each.

FAQ's

Do you accommodate Tax Exemptions?

Yes, we can absolutely accommodate your tax exemption! As long as you provide your valid tax exemption form/card, you will not be charged tax. If you are not Tax Exempt, you will be charged 10% DC tax.

What if my party size changes before the event?

A guaranteed guest count is due by noon two business days prior to the event date. If the guaranteed guest count is not met, the party will still be charged the minimum spend based on the guaranteed guest count.

What if my party wants to stay after its allotted time slot?

We are more than happy to try our best to accommodate your group in the restaurant, but we cannot guarantee the same space for your group beyond the event's time slot. The space is subject to the needs of the restaurant after this time.

Can I have my guests open individual tabs for my event?

You may allow your guests to open individual tabs for the event. Although, these tabs will not be factored into the minimum spend. If you plan on splitting the payment over a couple of cards, please let us know ahead of time. However, in order to track the minimum we require everything to be on one check.
